

RAILROAD COMMISSION OF TEXAS PIPELINE SAFETY DIVISION

November 4, 2019

PLAINS PIPELINE LP
Mr. Bryan Ferguson
PO Box 4648
Houston, TX, 77210-4648

New Construction Report: 19-NC-218
Pipeline Size: 227.04 Miles
County(s): Washington, Fayette, Gonzales, DeWitt, Goliad, Bee, Refugio, San
Patricio
Permit number: Pending
Project: Red Oak Pipeline System – Independence Junction to Ingleside
Reason: Crude Oil Transmission
Construction Start Date: 1/14/2021

Dear Mr. Ferguson:

The Commission has received and recorded your new construction report as specified in 16 T.A.C. §8.115. We will notify you if additional information is required.

Upon completion of the construction but before placing the line into service, you are to submit form T-4 for operational authority of the system. (Reference the new construction report number when completing the form T-4 under Pipeline Information, part 2.)

If you have any questions concerning this matter, please contact me at (512) 463-6828.

Sincerely,

Karley Bisbano
Railroad Commission of Texas
