

RAILROAD COMMISSION OF TEXAS SAFETY DIVISION

June 6, 2019

ENTERPRISE PRODUCTS OPERATING LLC

Nhan Truong
1100 Louisiana Street
Houston, TX 77002

New Construction Report: 19-NC-126
Pipeline Size: 12.75in
County(s): Harris
Permit number: 07403
Project: Baytown to Bertron / SM105
Reason: PGP Transmission
Construction Start Date: 7/1/2020

Dear Nhan Truong,

The Commission has received and recorded your new construction report as specified in 16 T.A.C. §8.115. We will notify you if additional information is required.

Upon completion of the construction but before placing the line into service, you are to submit form T-4 for operational authority of the system. (Reference the new construction report number when completing the form T-4 under Pipeline Information, part 2.)

If you have any questions concerning this matter, please contact me at (512) 463-7056.

Sincerely,

Brandon Sifuentes
Safety Division, Pipeline Safety
