

RAILROAD COMMISSION OF TEXAS
OVERSIGHT AND SAFETY DIVISION - PIPELINE SAFETY
PIPELINE PERMITTING AND MAPPING SECTION

REJECTION NOTICE

03/01/2022

WWM OPERATING, LLC
Attn: Caleb Ryan
100 Congress Ave.
Ste 2200
Austin, TX 78701

Re: T-4 Permit Application ID: 28859, T-4 Permit Number:

Dear Caleb Ryan:

In accordance with the requirements of Railroad Commission rule 16 Tex. Admin. Code §3.70(d), you are being notified that your Form T-4 Application for Permit to Operate a Pipeline in Texas was received on 02/28/2022 and has been reviewed and determined to be incomplete.

To allow the Commission to continue processing your application, please correct the following issues:

* Please clarify on the cover letter that this new 410.80 mile pipeline system is being proposed and is not yet permitted for construction.

When the requested information has been received it will be reviewed by Commission staff within 30-days, you will be notified as to whether the application is complete or incomplete pursuant to 16 TAC §3.70(d) and (e).

If additional information is needed, please contact the Pipeline Permitting Section by phone at 512-463-7058, or by email at pops@rrc.texas.gov.
